Airplane Hijacking

***The plane has been
skyjacked***

Ideas for immediate response

- Be alert, remain calm
- Encourage others to remain calm
- Try to understand the developing situation

Airplane Hijackings Things to Consider

Is a Federal Air Marshall on the aircraft?

Are pilots left in control of the plane?

Is someone in a position to resist the hijackers?

How heavily armed are the hijackers?

What is the hijackers' destination?

Are passengers able to place calls to people on the ground?

Do hijackers closely monitor activities of passengers?

Do hijackers demand ID from passengers?

Are passengers singled out based on nationality or affiliation?

Remain Calm,
Comply with Demands

Continuously Evaluate the Situation
