The Greatest Security Countermeasure is YOUR Knowledge & Situational Awareness

Ground Travel

Ground Travel

- Renting a car
- Familiarizing yourself with your car
- Getting Directions
- Driving under surveillance

Renting a Car

You are deciding which car to rent - you wisely decided not to rent a sports car

Which car should you choose?

- 1) An older model car with non-distinctive markings
- 2) A new, oversized SUV which will provide you with added protection if in an accident
- 3) A recent model, medium-size, sedan

Inspecting Your Vehicle

**You know you should
inspect and
familiarize yourself
with your rental car**

When do you inspect your rental car?

- 1) Prior to leaving the rental car parking lot and every time the vehicle is left in an unsecured location
- 2) After the car is parked in an unsecured location
- 3) At the earliest convenient time

Getting Directions

***You need directions
to drive to the hotel***

What should you do?

- 1) Ask the clerk at the rental car counter
- 2) Use your hotel's courtesy phone to call and ask for directions
- 3) Call the hotel from a cell phone and ask for directions to their location using major highways

Driving Under Surveillance

***You suspect that you
are being tailed –
you know that you should not
try to outrun the other vehicle***

What should you do?

- 1) Drive at normal speed to a public location or the front of your hotel, avoiding chokepoints and getting boxed in
- 2) Slow down and let the truck pass, make eye contact with driver, get a description of the driver
- 3) Turn off onto a side street and park in an ally to lose the persuer

Vehicle Improvised Explosive Device

- Inspecting the vehicle
- Finding a suspicious package
- Changing Plans

Inspecting the Vehicle

***You are in a hurry,
but you remember
to inspect your car***

What should you do first?

- 1) Carefully inspect the exterior, but since the car was locked don't examine the interior, trunk, engine, or fuel door
- 2) Open and inspect the engine compartment and trunk. Alert the hotel manager if evidence of tampering
- 3) Without touching the car, inspect the exterior to include wheel wells and undercarriage. Alert the hotel manager or police if any sign of tampering

Finding a Suspicious Package

***You are inspecting
your car and you find a
suspicious package***

What should you do?

- 1) Carefully remove the box and call the police to confiscate it
- 2) Tell the hotel staff that someone has tampered with your vehicle and have them contact the authorities
- 3) Perform a careful inspection of the box, looking for protruding wires and oil spots
